

Announcement: Whitsett Total Truck Branch to Relocate

Whitsett Branch Consolidating with Greensboro location

December 2011

After months of thought and careful consideration, we have made the decision to consolidate the two Total Truck locations in our Greensboro region. Going forward, our Greensboro facility, located at 6215 Swiggett Road, off I-40 exit 211, will serve our Greensboro truck customer base. With keeping true to our values, our intention is for this facility to be a “one stop shop” for our truck patrons, with a complete line of service, sales, and parts. This relocation will be complete as of December 1. We encourage former Whitsett customers who have never been to our Greensboro branch to stop by, where you will find the same superior level of service that you have always had.

Please call Service Manager Billy Martin at (336) 430-0675 with any questions or for more information.
